

BACK PAIN AND DISABILITY QUESTIONNAIRE (Revised Oswestry)

Name

Date of Birth

Date

This questionnaire has been designed to give your health care provider information as to how your back pain has affected your ability to manage everyday life. Please answer every section and mark in each section only the ONE box which applies to you. I realize you may consider that two of the statements in any one section relate to you, but please just mark the box which most closely describes your problem today.

SECTION 1 – PAIN INTENSITY

- The pain comes and goes and is very mild.
- The pain is mild and does not vary much.
- The pain comes and goes and is moderate.
- The pain is moderate and does not vary much.
- The pain comes and goes and is severe.
- The pain is severe and does not vary much.

SECTION 6 – STANDING

- I can stand as long as I want without pain.
- I have some pain on standing but it does not increase with time.
- I cannot stand for longer than one hour without increasing pain.
- I cannot stand for longer than ½ hour without increasing pain.
- I cannot stand for longer than 10 minutes without increasing pain.
- I avoid standing because it increases the pain straight away.

SECTION 2 – PERSONAL CARE

- I would not have to change my way of washing or dressing in order to avoid pain.
- I do not normally change my way of washing and dressing even though it causes some pain.
- Washing and dressing increase the pain but I manage not to change my way of doing it.
- Washing and dressing increase the pain and I find it necessary to change my way of doing it.
- Because of the pain I am unable to do some washing and dressing.
- Because of the pain I am unable to do any washing and dressing without help.

SECTION 7 – SLEEPING

- I get no pain in bed.
- I get pain in bed but it does not prevent me from sleeping well.
- Because of pain my normal night's sleep is reduced by less than ¼.
- Because of pain my normal night's sleep is reduced by less than ½.
- Because of pain my normal night's sleep is reduced by less than ¾.
- Pain prevents me from sleeping at all.

SECTION 3 – LIFTING

- I can lift heavy weights without extra pain.
- I can lift heavy weights but it causes extra pain.
- Pain prevents me from lifting heavy weights off the floor.
- Pain prevents me from lifting heavy weights off the floor, but I manage if they are conveniently positioned (e.g. on a table).
- Pain prevents me from lifting heavy weights but I can manage light to medium weights if they are conveniently positioned.
- I can only lift very light weights at the most.

SECTION 8 – SOCIAL LIFE

- My social life is normal and gives me no pain.
- My social life is normal but increases the degree of pain.
- Pain has no significant effect on my social life apart from limiting my more energetic interests, e.g. dancing, etc.
- Pain has restricted my social life and I do not go out very often.
- Pain has restricted my social life to my home.
- I have hardly any social life because of the pain.

SECTION 4 – WALKING

- I have no pain on walking.
- I have some pain on walking but it does not increase with distance.
- I cannot walk more than 1 mile without increasing pain.
- I cannot walk more than ½ mile without increasing pain.
- I cannot walk more than ¼ mile without increasing pain.
- I cannot walk at all without increasing pain.

SECTION 9 – TRAVELING

- I have no pain while traveling.
- I have some pain while traveling but none of my usual forms of travel make it any worse.
- I have extra pain while traveling but it does not compel me to seek alternate forms of travel.
- I have extra pain while traveling that compels me to seek alternative forms of travel.
- Pain restricts all forms of travel.
- Pain prevents all forms of travel except that done lying down.

SECTION 5 – SITTING

- I can sit in any chair as long as I like.
- I can only sit in my favorite chair as long as I like.
- Pain prevents me from sitting more than 1 hour.
- Pain prevents me from sitting more than ½ hour.
- Pain prevents me from sitting more than 10 minutes.
- I avoid sitting because it increases my pain right away.
